The purpose of this letter is to advise you of the following effective immediately, I David Renshaw, will be proudly representing you as your Business Representative at the Miami, FL (MIA) base and I wanted to introduce myself.

I have been with Teamsters Local No. 769 for 29 years. In 1989, I started at United Parcel Service as a part time employee and later became a full-time package driver. Later, I became a Shop Steward as well as a grievance coordinator and eventually became a Business Representative with former Teamsters Local No. 390 – which later merged with Teamsters Local No. 769. I currently represent a multitude of crafts and industries within, P.E.R.C. (Public Employees Relations Commission), R.L.A. (Railway Labor Act) and N.L.R.A. (National Labor Relation Act). I am also involved with the policy committee for International Brotherhood of Teamsters for the Bakery and Laundry Division. In addition to above, currently I represent the pilot group at Amerijet in MIA.

Throughout the years I have been involved in many projects from following but not limited to; F.T.A.A., United Way Labor Loaned Executive, worked with AFL-CIO in Tallahassee regarding the FL legislature, Human Rights Commission for the local Union and our ongoing commitment to our Veterans who have served, currently I am the Southern USA representative for ipods for wounded Veterans.

As you know we are in final stages of establishing a temporary Union Leadership Structure for the MIA based crew, if you are interested in assisting your Union. Once the temporary is established we will then establish an elected Union Leadership. In the near future, I will be visiting your facilities so that I can have the pleasure of meeting you and to get familiarized with the NAC operation. You can also reach out to me if you wish to speak to me for any reason prior to meeting you at your facility. Below is my contact information:
